

Choose a game, show how you play the game in SEQUENCE. Write instructions and label you picture.

Sequences

Name: _____

Firstly _____

Secondly _____

Finally _____

Maths

Place Value

Write the sums to make the numbers.

1 2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22 23 24 25 26

$13 = 10 + 3$

$25 = \underline{\quad\quad} + \underline{\quad\quad}$

$70 = \underline{\quad\quad} + \underline{\quad\quad}$

$15 = \underline{\quad\quad} + \underline{\quad\quad}$

$31 = \underline{\quad\quad} + \underline{\quad\quad}$

$132 = \underline{\quad\quad} + \underline{\quad\quad} + \underline{\quad\quad}$

$11 = \underline{\quad\quad} + \underline{\quad\quad}$

$54 = \underline{\quad\quad} + \underline{\quad\quad}$

$405 = \underline{\quad\quad} + \underline{\quad\quad} + \underline{\quad\quad}$
